This semester, our Missional Communities will journey through the book of Revelation, using N.T. Wright's *Revelation for Everyone* as a guide. Paired with our Sunday morning sermon series, this is an opportunity to dive deeper into the book's powerful message of hope, faithfulness, and God's ultimate victory.

Through weekly discussions, we'll explore how Revelation invites us to see Jesus as the true King, resist the pressures of the world, and live in light of God's promise to renew all things. Whether you're new to Revelation or looking to deepen your understanding, this is the perfect time to join us in growing together in faith and hope. Check out the Calenda

What is a Missional Community?

In short, Missional Communities (or MC's as you will hear people refer to them) are groups of 6-20 people who meet together weekly to practice the ways of Jesus together. This will take different forms in different seasons, but will typically involve time hanging out together, time gathered around the Scripture and time in prayer together. The calendar on the other side of this page provides more "season specific" details.

There is never a bad time to get connected with a Missional Community! You'll find a list of MC's and contacts below.
